321 SRI P. A. PAWASHE (Uchagaon).—Will the Minister for Health and Family Welfare be pleased to state—

(a) whether the residential quarters for the Doctors and the staff of the Health Centre at Uchagaon in Belgaum Taluk have been constructed,

(b) if so, when ;

(c) whether the quarters have been occupied by the staff ;

(d) if not why ?

SRI M. MALLAPPA (Minister for Health and Family Welfare)—

(a) No.

(b) (c), (d) Does not arise;

SRI P. A. PAWASHE.—The answer given to the question is not correct. I am a resident of the same village and I have seen with my own eyes that the quarters which were constructed 10 years back have not been occupied by any body till today. Will the Hon'ble Minister please ascertain whether quarters have been constructed there or not ?

SRI M. MALLAPPA.—To some extent the hon. member is correct. Family Planning quarters have been constructed, but residential quarters for doctors and staff of Health Centre will have to be taken up for construction. The work is now included in the Budget, provision is being made and we will take up the work as early as possible.

SRI P. A. PAWASHE.—May I know why the quarters which were constructed about 10 years back have not been occupied by the persons for whom they have been constructed ?

SRI M. MALLAPPA.—The Health Centre buildings were constructed as per Order dated 1st September 1969. But the quarters for doctors and staff could not be taken up for want of finance. Now we have provided funds, the work is included in the Budget, plans and estimates are ready and we will take up the work immediately.

SRI P. A. PAWASHE.—May I know why the quarters which have already been constructed have not been occupied ?

SRI M. MALLAPPA.—Minor works such as light, water and sanitary works will have to be completed.

SRI P. A. PAWASHE.—According to the Public Works Department, all the amenities have been provided, but the quarters have not been occupied !

SRI M. MALLAPPA.—Immediate action will be taken to see that these quarters are allotted and occupied
